

# IMPACT REPORT

Levanta Ministries in the Dominican Republic

2024

**Dear Friends,**

**It brings us great joy to present to you the 2024 update for Levanta Ministries! We pray that this report will display God's goodness, grace and provision in all of our decisions and activities. God's name is being glorified and we appreciate those who have prayed for us, encouraged us, loved us and given financially. Thank you for joining us on the journey!**

**With Grateful Hearts,  
Doug and Margaret Beck  
Co-Founders**

**Our Mission:**

**Levanta Ministries exists to Encourage, Equip and Empower families in the Dominican Republic to rise above their current situation, through the love of Christ.**

**Our Vision:**

**Levanta Ministries encourages Christ-filled relationships and seeks to equip others with lasting solutions for their physical, spiritual and educational needs in order to empower families in the Dominican Republic to rise above their current situation.**

# SPIRITUAL 2024

The heartbeat of Levanta Ministries is to help people know the love of God and how they can know Him. We offer **Bible studies** to all of those involved in our programs- children, teenagers and adults- in order to give people a chance to know God's Word and understand the Gospel. All of these Bible studies were led by our local staff.

Our staff personally made hundreds of **home visits** in order to spend time with those in our community. Developing relationships is so important in all that Levanta Ministries does.

Levanta Ministries hosted **outreach events** throughout the year, including Semana Santa (Holy Week), a summer VBS, a Christmas outreach and others. This is a great way to reach kids, teenagers and adults in our community for the gospel.

# EDUCATION 2024

Levanta Ministries provided **English classes** for students (ages 12-19) in our local community. There was no cost to participate, but every student and parent agreed to comply with the requirements of the program. Such requirements included weekly attendance, belonging to a staff-led Bible Study, and class participation.

Levanta provided **tutoring sessions** for local students to help them with their classes in public school, giving them the opportunity to do their homework and complete projects. We have heard great results from parents and teachers on the progress our students have made in their schoolwork!

In 2024, Levanta Ministries was able to provide **University scholarships** to volunteers in our ministry. We are excited to invest in the continuing education of students in our program. Currently, we provide **10** scholarships.

Levanta conducted our second **English Camp** in 2024! The students from our English program were treated to a 3-day camp, honing their English skills while playing games and hearing the Word of God.

# COMMUNITY 2024

The **Basketball Program** of Levanta Ministries continued in 2024, involving about 30 young men who participated in the program. All of them were part of a Bible study led by our staff. These boys got to play in several tournaments and games during the year and were coached by a professional instructor to improve their basketball skills.

Our **Artisan program** employs women to make unique handbags that we sell to help support the ministry. These products were sold through the website [www.luciachic.com](http://www.luciachic.com). All of the proceeds go back to the ministry.

In 2024, we were once again visited by our **dental mission team** to conduct a dental clinic in our ministry house for our community! We were able to see and attend to more than 70 patients throughout the week.

Levanta Ministries conducted several **events and seminars** during the year. These events sought to teach specific topics to our community or address a specific group with Biblical teaching that is relevant to their lives.
